### Période d'enseignement:

- Semestre Automne

### Equipe enseignante:

Katrin Rupp

### Objectifs:

Students will develop reading and interpretation skills and get ideas for paper writing.

### Contenu:

In this seminar we will explore a series of texts featuring animals and monstrous creatures. As we will see, the distinctions between a human and an animal or monster respectively are far from being clear-cut. This absence of well-defined boundaries between the species raises questions about human and non-human identities that we will address in this seminar.
