Forme de l'évaluation

The overall mark for the year-long course is the average of four essay marks and four exam marks. To pass the year, an overall average of 4.0 is needed. If an essay is insufficient, it must be rewritten before the end of the respective semester. This applies to one essay per semester. If an essay is rewritten, it is the revised mark and not the original mark that counts. If the overall mark for the course is a fail, the student will be required to take a rattrapage. The rattrapage consists of an in-class essay and an oral exam of thirty minutes that cover the work done in the whole year. The essay and the oral exam carry equal weight (50%) in the assessment of the student's performance.

Note: Failure to hand in a written assignment in the accorded time, without an accepted reason, will automatically result in a failing grade.
