Rue Emile-Argand 11
2000 Neuchâtel
ottilie.tilston@unine.ch

Contenu

A specific topic illustrating the processes of conversational interaction.

Forme de l'évaluation

Continuous assessment (graded)

In case of a fail, students can take an exam with documentation (2 hours) organised directly with the professor (does not appear in Piedex)
NB : work that is not submitted by the required deadline, without good cause, will not be accepted and will automatically result in a fail for that given assessment.

Documentation

A list of readings will be distributed at the beginning of the course

Pré-requis

None.

Forme de l'enseignement

Lecture, student présentations, discussions, running and analyzing a scientific experiment.

Objectifs d'apprentissage

Au terme de la formation l'étudiant-e doit être capable de :

- Analyse communicative situations
- Define communicative concepts
- Write about a research project
- Carry out a research project
