### Meet your future employer (industry, public sector, NGOs) (3BL2278)

Filières concernées	Nombre d'heures	Validation	Crédits ECTS
<b>Master en biologie</b>	<b>Cours: 1 dj</b>	<a href="#">Voir ci-dessous</a>	1

ph=période hebdomadaire, pg=période globale, j=jour, dj=demi-jour, h=heure, min=minute

#### Période d'enseignement:

- Semestre Automne

#### Equipe enseignante

Ted Turlings

#### Contenu

In this course, 6-8 invited speakers from diverse fields will first tell you about their own career track and professional experiences since finishing their studies in biology (most of them will be alumni from the University of Neuchâtel). They will then explain what kind of positions their respective industry or institute may have to offer in the future and what they expect from prospective candidates. There will be ample time to ask questions.

#### Forme de l'évaluation

Your presence and active participation are required.

#### Documentation

None

#### Pré-requis

For all master's students in biology or related topics.

#### Forme de l'enseignement

Presentations by externals.

#### Objectifs d'apprentissage

Au terme de la formation l'étudiant-e doit être capable de :

- Discover
- Select
- Define
- Evaluate
- Apply
- Communicate

#### Compétences transférables

- Evaluate
- Translate
- Distinguish
- Anticipate
