Contenu

This course focuses management accounting and management control from both, a theoretical and practical perspective. Rather than focusing on selected details the course is supposed to provide students with a broad overview of the most important concepts and techniques.

Forme de l'évaluation

Final exam: 2-hour written exam (100%) during the exam session.

Retake exam: 2-hour written exam (100%) during the session.

Neither documents nor connected devices are permitted during the exams. In case of violation of these rules, the students are in a situation of fraud and the unauthorized will be removed. The exam could be deemed as failed.

In case of online exam session (for sanitary reasons), the final exam would still be 2 hours, but "open book".
