Forme de l'évaluation

In-class participation: 10%
Individual assignment/quiz: 30%
Company group project: 50% (10% mid-term presentation, 20% final presentation, 20% final report)
Strategy implementation in the East simulation: 10%

Modalités de rattrapage

In case of a failure/insufficient grade students have to pass an individual 2h written closed book exam during the exam session that demonstrates their understanding of the topics covered in class. This exam will account for 100% of the grade. Neither documents nor connected devices are permitted during the exam. In case of violation of these rules, the exam will be deemed as failed.

Documentation

1. Ghemawat, Pankaj. Redefining Global Strategy: Crossing Borders in a World Where Differences Still Matter. Boston, MA: Harvard Business School Press, 2007.
2. Collis, David. International Strategy, Wiley, 2014.

Students may also find recommendations for session specific articles on Moodle.

Pré-requis

Students need to have completed a Strategic Management/Strategy class prior to starting this class. This course takes for granted that they are

- Faculté des sciences économiques
- www.unine.ch/seco

International Strategy (5EN2027)

familiar with general strategy concepts such as strategic positioning, competitive advantage, resource based view, organisational core competencies, blue ocean strategy, diversification etc.

Forme de l'enseignement

The classes are a mixture between lectures, case discussions, exercises, a simulation, group project presentations and short guest speakers talks. Students are expected to come to class having read the cases and are expected to participate.

Objectifs d'apprentissage
