Contenu

The Language Stay Abroad is an option in Blocks 3 and 5 of the BA Study Plan. It allows students to follow an advanced language course in an anglophone university. It should not be confused with the mobility semester or year abroad.

The Language Stay Abroad is highly recommended for all students wishing to enroll in the HEP and need to pass the required language exam.

The conditions of the course must be approved in advance by the professor responsible for the BA program in English.

Forme de l'évaluation

At the end of the course, students must provide a certificate of completion, certifying that they have fulfilled all course requirements.

A stay including a total of 150 hours of work is required (= 6 ECTS), i.e. the equivalent of four to six weeks, and corresponding to a level >=C1.

Students cannot validate two language stays.
