EXC European ecosystems (3BL2266)

Filières concernées	Nombre d'heures	Validation	Crédits ECTS
Master en biogéosciences	Excursion: 7 j	Voir ci-dessous	3
Master en biologie	Excursion: 7 j	Voir ci-dessous	3

ph=période hebdomadaire, pg=période globale, j=jour, dj=demi-jour, h=heure, min=minute

Période d'enseignement:

- Semestre Printemps

Equipe enseignante

Prof Edward Mitchell & assitant.e.s

Contenu

The specific content of the course depends on the choice of region which may change from year to year (previous excursions took place in the south of France and in Crete).

The field course includes day trips to different ecosystems (woodlands, grasslands, rocky habitats, riparian habitats) from the sea to the mountains. Aspects of biodiversity conservation, water management, agriculture will be covered.

Documentation

Lectures documents and possibly additional reading will be provided before and during the field course.
